Elks fall in bitter cold to Rayders

BY TIM PETERSON

The Elk varsity football was playing at home for just the third time this season last Friday, hosting Charlevoix in a big Northern Shores Conference (NSC) match-up. The rain that had pelted the area all day was gone, but a strong, brisk wind remained for a wind chill temperature around 27 degrees at gametime. The two long-time rivals still battled it out on the gridiron with the Rayders coming away with a 9-0 win.

The Elks had the ball first and moved 30 yards to midfield using a nine-play drive. Elk quarterback Joseph Parrish threw into traffic on the next play and was intercepted, the Rayder defensive back retuned the ball to the Elk 19 yard before going out of bounds. The Rayders fumbled on first down and lost a yard, but on second down scored on a 20-yard run through the left side for the only touchdown of the game. The extra point kick was blocked by Hudson Sailor, the Rayder lead stood at 6-0 with just under five minutes to play in the first quarter.

Charlevoix would add a 22-yard field goal with 9.5 seconds remaining in the first half after the Elk defense held on a first and goal from the eight-yard line. The teams went into halftime with Charlevoix holding a 9-0 lead that would become the final score.

Parrish completed 5-10 passes for 110 yards, Luke Schulte caught three balls for 92 yards, on the ground Brody Turner ran six times for 32 yards. The Elks had a fumble recovery by Colin Shockley and an interception by Keegan Kiel.

Elk Rapids (5-3) fell to 2-2 in the conference standings. The Elks are still in the hunt for a spot in the post-season and need a win against conference rival Kalkaska at home in the regular season finale on Friday.

Ellsworth volleyball falls to Frankfort

BY BOB DELONG
CONTRIBUTING WRITER

The Ellsworth High School varsity volleyball team (0-15) is still winless this year after falling at Frankfort in straight sets by 25-8, 25-10 and 25-10 scores.

"Despite the scores on the games, it does not adequately show how hard these girls play," said Lancer head coach Denise Richards. "In every game that we have played this year, it comes down to the mental game. That's where the struggle is. They play so hard and then look at the scoreboard and then fall apart. They have so much potential and talent and I am proud of them regardless."

Against the Panthers, Bridget Goscicki led Ellsworth with a kill, 23 receptions and five digs; Madison Richards had a team high 18 serves, five digs and three sets; Lauren Rasmussen had 12 receptions, three digs and a service ace; Charis Chellis had nine receptions, seven digs, two kills and a pair of aces; Kenzie Oeder gad 10 digs and two kills; Ruby Pletcher had 17 digs and a kill and Chloe Willingham had a team best 22 digs.

This week, the Lancers have a winnable match when they host Wolverine on Tuesday. In their first meeting last month, the Wildcats pulled out a thrilling five-set victory on their home court. Later in the week, they will travel to Antrim County neighbor Central Lake for a Tri event. The MHSAA D4 volleyball district begins the week of Nov. 2 at Gaylord St. Mary.

Last Wednesday was a crisp fall day in Mancelona, perfect conditions for runners at the annual Ski Valley Conference Boys and Girls Cross Country annual league meet. Bellaire won the girls meet and Mancelona won the boys, and all of the runners from both champions ran a personal or season best time.

For the Eagles, their top five runners all placed in the top 13 in the race of 35 runners. Only four teams had enough runners for a team score, (five needed), as Bellaire won with 35 points, 12 better than second place East Jordan.

For the winning Eagles, Freshman Amelia Hoyt ran a season best 20:17.7 to win the meet; sophomore Madalyn Dewey came in sixth with a season best time; sophomore Grace Campbell was seventh with a season best time; senior Morgan Rey was 10th and ran a personal best time and senior Isabella Hocking was 13th with a season best time as well. Senior Carys LeCureux did not finish in the top five of Bellaire's runners, but she ran a personal best time and finished 25th in the race.

On the boy's side, Mancelona won first place over two other teams who qualified with five runners for a team score. The Ironmen had 27 points to CLE's 50 points, and Mancelona had seven runners place in the top 12 of 37 runners in the race.

Senior Donavin Reist won the boys race for the Ironmen with a 16:39.4 time, his personal best of his career; sophomore Lewis Smith and junior Elliot Smith finished sixth and seventh respectively with personal best times. Additionally, freshman Wyatt Grote, sophomore Mike Clignan, senior Gabe Weeks and senior Andrew Waggoner finished in ninth, 10th, 11th and 12th and all had personal best times.

Both Bellaire and Mancelona will participate in the Bellaire Invitational on Wednesday of this week. The MHSAA regional will be held at Mancelona on Halloween morning, Oct. 31.

Bellaire freshman Amelia Hoyt (220) runs in the Women's 2,000 meter event in the Ski Valley's conference meet. She finished in first place with a time of 20:17.7.

Bellaire sophomore Madalyn Dewey runs in the Ski Valley's conference meet on Wed., Oct. 14 in Mancelona. She finished in sixth place with a time of 21:17.7.

Ellsworth sophomore Lillian Coen (246) focuses during her run in the Women's SVC meet on Wednesday, Oct. 14 in Mancelona. Coen completed the event in second place with a time of 20:56.2

This mixture of limited nonresidential and residential uses is characteristic of Multi-Family Cluster Development (MFCD) Districts and is desired to be maintained as long as new nonresidential uses are compatible with the predominant residential uses in the district.

It is further the intent of this district to implement the policies and recommendations of the adopted Rapid River Township Master Plan, which recommends clustered development and the preservation of agricultural, forested, and recreational lands within the Township. By guiding additional development to lands with access to infrastructure and other amenities, this district helps to preserve the overall rural, agricultural, and recreational character of Rapid River Township.
